Transfer of Interim Status and Id. No.**

Dear Mr. Soderberg:

For your information and record, I attach a copy of the documents and forms that Shell Chemical Yabucoa, Inc. ("Shell") filed today at the Environmental Protection Agency (Region II). Shell filed these documents to request the transfer of the RCRA Part A Interim Status and Facility Identification Number issued to the Puerto Rico Sun Oil Company refining facility located in Yabucoa, which it expects to acquire in the near future.

Should you have any questions related to the foregoing, please call me at your convenience.

Very truly yours,

Jerry Lucas Marrero
